The Thomas Patrick Morrison Foundation 6th Annual Golf Classic

Join us on Wednesday, September 14, 2011 for a great day of golf followed by an award-winning rib dinner and a treasure-filled silent auction at Orchard Creek Golf Course in Altamont, New York to benefit the Thomas Patrick Morrison Foundation.

The Foundation's 6th Annual Golf Classic will include complimentary driving range balls, 18 holes of golf on a championship course, lunch, dinner, a silent auction, a raffle, and presentation of individual and team prizes.

Space is limited for this event, so please register early.

The Thomas Patrick Morrison Foundation was established in February, 2006 to honor the legacy of Thomas Patrick Morrison. Thomas was born on October 23, 2005 and on January 20, 2006, just three days shy of his three-month birthday, a rare metabolic disorder claimed his life. Thomas' parents created the Foundation, a 501(c)(3) charity, to provide financial support to children and families of children suffering from metabolic disorders and similarly devastating rare diseases and conditions. Tim and Carmelina's ability to share their son's inspiring legacy of love, hope, and joy through the Foundation is made possible because of generous donations from caring individuals like you.

There are many levels of sponsorship available. Please complete the attached form and return it by September 1, 2011 to secure your participation in this event.
